**WE NEED YOUR SUPPORT!**

The Mental Health Association of the Capital Region (MHACR) is a voice of hope for people with a mental health problem, their families and friends, and the community. That voice becomes stronger and the efforts of the Association are more effective as the MHACR is supported by a greater number of people.

Yes, I want to strengthen the voice of the MHACR through my financial contribution towards the Association's activities.

**Enclosed is my contribution of:**
